## Work experience

I worked at the Center for Complexity Sciences (C3) of the UNAM to develop its website, I also gave it constant maintenance, which can be accessed at the following link: <https://www.c3.unam.mx/> .

I also made the site of the National Laboratory of Complexity Sciences of the UNAM, which can be accessed through the following link: <https://lncc.c3.unam.mx/>

Another of the pages that I have made externally has been of some freight elevators which can be accessed through the following link: <http://www.elevadoresdecarga.com.mx/>
